Update regarding Section 14.13 of the Replacement Prospectus

In its Replacement Prospectus dated 17 May 2016 (**Replacement Prospectus**), 9 Spokes International Limited (ASX:9SP) (**9 Spokes**) advised at section 14.13 that an Existing Shareholder (as that term is defined in the Replacement Prospectus) had made a claim regarding his or her entitlement to acquire further unquoted options over ordinary shares (**Options**) in the capital of 9 Spokes.

In section 14.13 of the Replacement Prospectus, 9 Spokes advised that it was currently assessing the merit of that claim in good faith.

9 Spokes advises that it has concluded its good faith investigation into the merit of that claim and has determined that the claim does not have merit.

Accordingly, 9 Spokes does not propose to issue any further Options to the relevant shareholder in relation to this issue.

About 9 Spokes

The 9 Spokes smart dashboard enables SMEs to connect all their software to one dynamic interface - giving them a clear overview of their business. It allows management and advisors to access data and new metrics across key areas, from any device at any time. With these insights, it's easier to make the big decisions to either manage or grow a business.

Businesses can integrate their supported software into the dashboard as well as choose from a selection of recommended and accredited apps to suit their industry.

The smart dashboard from 9 Spokes is available as a direct model to small businesses and as a white labelled platform that Channel Partners can offer to their SME customer base.
